#### SUPPLEMENTARY INFORMATION:

##### Background

On April 1, 2021, based on a timely request for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on washers from Mexico.<sup>1</sup> This review covers one producer/exporter of the subject merchandise, Electrolux Home Products Corp. N.V. and Electrolux Home Products de Mexico, S.A. de C.V. (collectively, Electrolux). For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.<sup>2</sup>

##### Scope of the Order

The products covered by the order are all large residential washers and certain subassemblies thereof from Mexico. For a complete description of the scope of the order, *see* the Preliminary Decision Memorandum.<sup>3</sup>

#### Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

#### Preliminary Results of the Review

As a result of this review, we preliminarily determine that the following weighted-average dumping margin exists for the respondent for the period February 1, 2020, through January 31, 2021:

### Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.<sup>13</sup> If the weighted average dumping margin for Electrolux is not zero or *de minimis* (i.e., less than 0.5 percent), we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). If the weighted-average dumping margin for Electrolux is zero or *de minimis* in the final results, or an importer-specific assessment rate is zero or *de minimis* in the final results, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce intends to issue instructions to CBP 41 days after the publication date of the final results of this review.

### Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the exporter listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters

---

<sup>13</sup> See 19 CFR 351.212(b).

will continue to be 36.52 percent, the all-others rate established in the LTFV investigation.<sup>14</sup>

These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 16, 2022.

Assistant Secretary  
for Enforcement and Compliance.
